2026 Community Grant Application

Up to \$2000 BZD

DUE
30 SEPTEMBER
2025

STIPULATIONS:

Any project funded by Full Basket Belize (FBB) must meet the following criteria:

- Projects must be community-based, implemented in Belize for the benefit of Belize and Belizeans, and focused on one or more of the following areas:
 - Education
 - The Environment (including projects addressing the impacts of climate change)
 - Health (including STDs and domestic abuse)
 - Grassroots Economic Development
 - Youth Leadership Development
- Applicants must be non-profit organizations, including non-governmental organizations, schools, and communities, and must have an organizational bank account (or a fiscal agent that meets the requirements above).
- FBB funds cannot be used for lobbying, staff salary, subcontractor salary, or other benefits to individuals or to promote any political parties, religion, or religious beliefs.
- Funding requests cannot exceed \$2,000 BZD.
- Projects must start and finish in the 2026 calendar year.

INSTRUCTIONS:

- Answer each question thoughtfully and thoroughly. Answers should directly and specifically address the questions asked.
- A detailed project budget must show how FBB funds will be spent.
- For applications to be considered, they must be completed, signed, and submitted by 30 September 2025.
- Completed applications must be emailed to grants@fullbasketbelize.org.
- Applicants may request assistance and advice on their applications through 20 September 2025 by emailing grants@fullbasketbelize.org.

In each of the following sections, be sure to specifically address the questions that are asked. Pay special attention to "What we look for".

Summary of the Program or Project

Idea: Provide a brief overview of the project, including location and population(s) being served.
What we look for: How well does the proposed project align with FBB's mission?

Need: Describe why the project is needed or what problem the project will attempt to solve.
What we look for: How strongly does the project address a demonstrated need in the community? Is it a clear community priority?

Goals and Outcomes: How will this project improve the community? Describe how the project will address the need or problem you identified. What will change because of the project?

What we look for: How well does the project address the expressed need? How much of a benefit will there be considering three factors: 1) How many people will benefit *directly*? 2) How strong will the impact be on those the project benefits? 3) How long will the impact last?

Project Design

Activities: Describe how this goal will be achieved. Outline the proposed activities to carry out the project, including the projected timeline. [Note: projects must start and end in 2026]

What we look for: Is there a feasible, detailed plan for how the project will be implemented? Can the project be successful with the proposed budget?

Accountability to the Community: Describe how success will be demonstrated to the community and to FBB.

What we look for: How transparent and visible is the project to the community? Does the project include proactive strategies to share results with those impacted?

Bank Account or Fiscal Agent: All grantees must have a bank account or a qualified fiscal agent that does. Please provide the information below. If selected as a finalist, we will verify account information. If we are unable to verify the bank account, the project will not be eligible for funding this grant cycle.
